

CLASS CREDIT

Policy 345.7

Page 1 of 1

All classes will be given credit based on the instructional time a class meets. A class that meets for one period, five days per week, for one year will receive one credit. Proportional credit will be given to class variations. Credits may also be earned outside of the school day for any pre-approved school approved program, school to work classes, youth options, alternative school, or independent study projects.
