

MINERAL POINT
UNIFIED SCHOOL DISTRICT

INCLEMENT WEATHER GUIDELINES

Inclement Weather Days, 2 Hour Late Starts & Early Dismissals 2021-22

Grades EC-12

Students/Staff will not have virtual learning days on the first four inclement weather days during the 2021-22 school year. This is your time to enjoy at home with family. Any additional weather days beyond four will likely turn into virtual learning days to ensure compliance with state instructional minute mandates. There may be some days when a 2 hour delay, or early dismissal, is necessary instead.

** No buses will run on inclement weather days. They will run on 2 hour delays and early dismissals.*

How We Will Communicate

We will communicate school closings and cancellation of after-school activities through the following channels:

- District Website
- Facebook
- Parent/Staff phone, email, and text (if enabled)
- Local media outlets

**Please check your Skyward Family Access account to ensure your contact information is accurate and that you are signed up for phone, text and/or email notifications.*

Be Prepared

As weather events occur, it is sometimes necessary to close our schools due to inclement weather. We've compiled this sheet for you and your family to help you prepare and plan.

We take the decision-making process very seriously

Student and staff safety is always our number one priority. The bus service owner and our district administrator jointly monitor weather, specifically when an event is approaching our area. Every effort is made to make and communicate a decision regarding possible school closure before 6:00 am based on the safety and timing of bus travel and the status of the weather events. Each weather event is unique, and the response may be different for different events.
