The District reserves the right to modify, revoke, suspend, terminate, or change any or all such plans, policies, or procedures, in whole or in part, at any time. The language that appears in this Handbook is not intended to create, nor is it to be construed to constitute, a contract between the District and any one or all of its employees or a guaranty of continued employment.

In case of a conflict between this *Handbook*, rules, regulations or policies of the Board and any specific provisions of an individual contract or a current collective bargaining agreement, the individual contract or collective bargaining agreement shall control.

This *Employee Handbook* is intended to provide employees with information regarding policies, procedures, ethics, expectations and standards of the District; however, this *Handbook* should not be considered all-inclusive. Copies of District Policies and Procedures are available in each administrative office to all personnel and are on the Mineral Point School District website at <https://mineralpointschools.org/wp-content/uploads/EmployeeHandbook-21-22.pdf>. It is important that each employee is aware of the policies and procedures related to his/her position. Participation in computer-mediated conversation/discussion forums for instructional purposes must be approved by curriculum and District administration. External electronic storage devices are subject to monitoring if used with District resources.

B. User Responsibilities: Network/Internet users are responsible for their actions in accessing available resources. The following standards will apply to all users (students and employees) of the Network/Internet:

1. The user in whose name a system account is issued will be responsible at all times for its proper use. Users may not access another person's account without written permission from an administrator or immediate supervisor.
2. The system may not be used for illegal purposes, in support of illegal activities, or for any other activity prohibited by District policy.
3. Users may not redistribute copyrighted programs or data without the written permission of the copyright holder or designee. Such permission must be specified in the document or must be obtained directly from the copyright holder or designee in accordance with applicable copyright laws, District policy, and administrative regulations.

4. A user must not knowingly attempt to access educationally inappropriate material. If a user accidentally reaches such material, the user must immediately back out of the area on the Internet containing educationally inappropriate material. The user must then notify the building administrator and/or immediate supervisor of the site address that should be added to the filtering software, so that it can be removed from accessibility.
5. A user may not disable Internet tracking software or implement a private browsing feature on District computers or networks. Browsing history shall only be deleted by authorized staff or in accordance with the District technology department's directives.

- C. Electronic Communications with Students: Employees are prohibited from communicating with students who are enrolled in the District through electronic media, except as set forth in section D. An employee is not subject to this prohibition to the extent the employee has a pre-existing social or family relationship with the student.

For example, an employee may have a pre-existing relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. The following definitions apply for purposes of this section on Electronic Communication with Students:

"Communicate" means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a communication; however, the employee may be subject to District regulations on personal electronic communications. Unsolicited contact from a student through electronic means is not a communication.

"Electronic media" includes all forms of social media, such as, but not limited by enumeration to, the following: phone, text messaging, instant messaging, electronic mail (email), Web logs (blogs), electronic forums (chat rooms), video sharing Websites (e.g., YouTube™), editorial comments posted on the Internet, and social network sites (e.g., Facebook™, MySpace™, Twitter™, LinkedIn™), and all forms of telecommunication such as landlines, cell phones, and web-based applications.

- D. Limited Electronic Communication with Students: Employees may communicate through electronic media with students who are currently enrolled in the District only within the following guidelines:
1. The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests).
 2. If an employee receives an unsolicited electronic contact from a student that is not within the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests), the employee shall not respond to the student using any electronic media except to address a health or safety emergency.
 3. The employee is prohibited from communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for this purpose. The employee must enable administration and parents to access the employee's professional page.
 4. Only a teacher, coach, trainer, or other employee who has an extracurricular duty may communicate with students through text messaging. The employee may communicate only with students who participate in the extracurricular activity over which the employee has responsibility.

5. The employee shall not communicate with any student between the hours of 5 p.m. and 10 a.m. unless the employee has supervisory responsibilities for the student and communication pertains to that responsibility. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
 6. Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently enrolled students.
 7. The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, including:
 - a. Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. See Policy 411
 - b. Confidentiality of student records.
 - c. Confidentiality of other District records, including educator evaluations, credit card numbers, and private email addresses.
 - d. Upon written request from a parent, the employee shall discontinue communicating with the parent's minor student through email, text messaging, instant messaging, or any other form of one-to-one communication.
 - e. An employee may request an exception from one or more of the limitations above by submitting a written request to his/her immediate supervisor.
- E. Retention of Electronic Communications and other Electronic Media: The District archives all non-spam emails sent and/or received on the system in accordance with the District's adopted record retention schedule. After the set time has elapsed, email communications may be discarded unless the records may be relevant to any pending litigation, pending public records request, or other good cause exists for retaining email records. (*See Board Policy 347*)
Employees who create pupil records via email need to ensure that pupil records are retained for the period of time specified by the pupil records law. For this reason, the District heavily discourages the use of email as the means to communicate about individually identifiable students.
- F. Electronic Recording: Employees shall not electronically record by audio, video, or other means, any conversations or meetings unless each and every person present has been notified and consents to being electronically recorded. Persons wishing to record a meeting must obtain consent from anyone arriving late to any such meeting. Employees shall not electronically record telephone conversations unless all persons participating in the telephone conversation have consented to be electronically recorded. These provisions are not intended to limit or restrict electronic recording of publicly posted Board meetings, grievance hearings, and any other Board sanctioned meeting recorded in accordance with Board policy. These provisions are not intended to limit or restrict electronic recordings involving authorized investigations conducted by District personnel, or authorized agents of the District, or electronic recordings that are authorized by the District, e.g. surveillance videos, extracurricular activities, voicemail recordings.
- G. Compliance with Federal, State and Local Law: For all electronic media, employees are subject to certain state and federal laws, local policies, and administrative regulations, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off District property. These restrictions include:
1. Confidentiality of student records. (*See Board Policy 347*)

2. Confidentiality of other District records, including educator evaluations and private email addresses
 3. Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law.
 4. Prohibition against harming others by knowingly making false statements about a colleague or the District.
- H. Personal Web Pages: Employees may not misrepresent the District by creating, or posting any content to, any personal or non-authorized website that purports to be an official/authorized website of the District. No employee may purport to speak on behalf of the District through any personal or other non-authorized website.
- I. Disclaimer: The District's electronic systems are provided on an "as is, as available" basis. The District does not make any warranties, whether expressed or implied, including, without limitation, those of merchantability and fitness for a particular purpose with respect to any services provided by the system and any information or software contained therein. The District does not warrant that the functions or services performed by, or that the information or software contained on the system will meet the system user's requirements, or that the system will be uninterrupted or error-free, or that defects will be corrected. Opinions, advice, services, and all other information expressed by system users, information providers, service providers, or other third-party individuals in the systems are those of the individual or entity and not the District. The District will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of the District's electronic communications system.

2.07 Confidentiality

Pupil information is confidential and protected by law unless such information has been designated as pupil directory data as set forth in Board policy 347. The law and respect for our students require that student issues be only discussed with employees and parents who need to know the information. In addition to student information, confidentiality is expected in other areas, including employee or District business information. Any requests for District records shall be referred to the appropriate administrator.

2.08 Conflict of Interest

A conflict of interest is defined as any judgment, action or relationship that may benefit an employee or another party the employee is affiliated with because of the employee's position with the District. Employees are asked to avoid outside activity that may compete or be in conflict with the best interests of the District. Employees must disclose to their immediate supervisor information of any transaction that may be considered a conflict of interest as soon as they know the facts. No employee may use his or her position to obtain financial gain or anything of substantial value for the private benefit of himself or herself or his or her immediate family, or for an organization with which he or she is associated.

2.09 Contracts and Conflict of Interest

A variety of machines and equipment for reproducing materials to assist staff in carrying out their educational assignments are available to staff in both the school and home setting. Infringement on copyrighted material, whether prose, poetry, graphic images, music audiotapes, video or computer-programmed materials, is a serious offense against federal law, a violation of Board policy and contrary to ethical standards required of staff. All reproduction of copyrighted material shall be conducted strictly in accordance with applicable provisions of law. Unless otherwise allowed as "fair use" under federal law, permission must be acquired from the copyright owner prior to reproduction of material in any

form. Employees are further advised that copyright provisions apply to all forms of digital media. Questions regarding copyright shall be directed to the building principal or district administrator.

However, an offense of operating under the influence, revocation or suspension of license, and driving after revocation or suspension must be reported if the employee drives or operates a District vehicle or piece of mobile equipment or transports students or staff in any vehicle. Failure to report under this section may result in disciplinary action, up to and including termination. The District may conduct criminal history and background checks on its employees. An arrest, indictment or conviction of a crime shall not be an automatic basis for termination. The District shall consider the following factors in determining what action, if any, should be taken against an employee who is convicted of a crime during employment with the District:

- A. The nature of the offense;

- B. The date of the offense;
- C. The relationship between the offense and the position to which the employee is assigned.

After reviewing his or her personnel records, the employee has the right to request that records he or she believes to be inaccurate or obsolete be removed from his or her file. If the District denies the request, the employee has the right to file a written rebuttal statement and have that rebuttal attached to the disputed record. If the District intends to release the disputed record to a third party, the District must also release the attached employee rebuttal statement to the third party. § 103.13(4) Wis. Stats.

The support of all employees is necessary to achieving compliance with various laws and regulations.
- C. Anti-Retaliation: An employee is protected from retaliation only if the employee brings the alleged unlawful policy, practice, or activity to the attention of the District and provides the District with a reasonable opportunity to investigate and correct the alleged unlawful policy, practice, or activity pursuant to the District's chain of command or complaint policies. The protection described below is only available to employees who comply with this requirement. The protection against retaliation that is described below does not limit the District from taking disciplinary or other employment action, including termination, against an employee where that discipline or employment action is not based on the employee's filing of a good faith complaint under this policy. The District will not retaliate against an employee who in good faith has made a protest or raised a complaint against some policy, practice, or activity of the District, or of another individual or entity with whom the District has a business relationship, on the basis of a reasonable belief that the policy,

practice, or activity is in violation of law or a clear mandate of public policy. The District will not retaliate against an employee who discloses or threatens to disclose to a supervisor or a public body any policy, practice, or activity of the District that the employee reasonably believes is in violation of law or a rule or regulation mandated pursuant to law or is in violation of a clear mandate of public policy concerning the health, safety, welfare, or protection of the environment. Employees shall have no expectation of privacy with respect to any item or document stored in or on District-owned property, which includes, but is not limited to, desks, filing cabinets, mailboxes, lockers, tables, shelves, and other storage spaces in or out of the classroom. 2.40 Work Made for Hire

Occasionally an employee has questions regarding the use of materials to be included in books or other commercial materials. Such materials created by the employee may include lesson plans, staff development presentations or tests/test items. The District owns any work prepared by an employee within the scope of his/her employment. Under federal copyright laws, this is called "work made for hire." An employee with questions regarding ownership or copyrights on materials prepared within the scope of his/her employment should consult with his/her supervisor.

2.41 Workplace Safety

- A. Adherence to Safety Rules: All employees shall adhere to District safety rules and regulations and shall report unsafe conditions or practices to the appropriate supervisor. Fire safety is an essential element of having a safe working environment. Employees should know the following:

Employees need to take precautions to prevent fires from occurring. In the event of a fire, the most important task is to sound the alarm and clear the building. Employees should not risk their safety in fighting fires.

- B. Protection of Staff: An employee shall report all cases of assault or injury suffered in connection with employment in the performance of duties to the District Administrator or his/her designee, who shall acknowledge receipt of such report and keep the appropriate staff involved and informed of action taken.

Notification of Safety and Health Standards: Wisconsin Statute § 101.055 requires the Wisconsin Department of Commerce to adopt and enforce safety and health standards that will provide protection to public employees at least equal to that provided to private sector employees under standards promulgated by the federal Occupational Safety and Health Administration (OSHA). A District employee who believes that a safety or health standard is being violated, or that a situation exists which poses a recognized hazard likely to cause death or serious physical harm, may request the District to conduct an internal review of the matter. Furthermore the employee may request the Wisconsin Department of Commerce to conduct an inspection.

The District shall not discriminate against or discharge any employee for exercising any right afforded by this section. An employee may file a grievance to address the workplace safety issues as defined in subsection F, below. The employee may, in his/her discretion also file a complaint with the state Division of Equal Rights within thirty (30) days if the employee believes a violation of the first sentence of this paragraph occurred.

- D. **Weapons Prohibition:** Firearms and dangerous weapons are prohibited on all property of the District. The prohibition includes firearms in vehicles on school property. Licensed peace officers who are serving in their official capacities are the only persons excepted from this prohibition. Firearms and dangerous weapons have the definitions set forth in the following statutory provisions: WIS. STAT. §§ 119.25, 120.13(1), 941.235, 948.60, 948.605, 948.61.
- E. **Disaster Preparedness:** All employees must become familiar with building procedures in the event of emergency such as fire, tornado, intruders, etc. When drills are staged, every staff member and student must follow proper procedures.
- F. **Workplace Safety Definition for Grievance Procedure:** In accordance with relevant state law, the grievance procedure established by the District permits employees to file grievances over workplace safety. For purposes of that procedure, the following guidelines shall apply:
 - 1. A grievance can be filed over workplace safety only if the safety of at least one employee is involved (as opposed to the safety of students or visitors).
 - 2. The issue must concern the safety of a person (e.g., not the “safety” of one’s vehicle or other personal possessions).
 - 3. The grievance must be filed by the affected employee(s) (i.e., one employee may not file on behalf of another).
 - 4. The individual(s) filing the grievance must propose a specific remedy.
 - 5. The issue and proposed remedy must be under the reasonable control of the District.

2.42 Violence in the Workplace

- A. **Expectations:** Violent behavior or bullying of any kind or threats of violence and bullying, either direct or implied, are prohibited on District property, at District sponsored events, or in communications outside the workplace that may impact an employee at work. The District will not tolerate such conduct in its employees, former employees, contractors, or visitors. An employee who exhibits violent behavior or bullying shall be subject to disciplinary action up to and including termination and may also be referred to law enforcement.
- B. **Definitions as Used Under this Section:**
 - 1. **Workplace Violence:** Behavior in which an employee, former employee, contractor or visitor to a workplace inflicts or threatens to inflict damage to property, serious harm, injury or death to others at the District or under the direct supervision of the District.

D. Reporting Procedure: An employee who is the victim of violence or bullying, believes he/she has been threatened with violence or bullying, or witnesses an act or threat of violence or bullying towards anyone else shall take the following steps:

1. If an emergency exists and the situation is one of immediate danger, the employee shall contact the local law enforcement by dialing 9-1-1, and may take whatever emergency steps are available and appropriate to protect him/herself from immediate harm, such as leaving the area.
2. If the situation is not one of immediate danger, the employee shall report the incident to the appropriate supervisor or his/her designee as soon as possible.

An employee who has received a restraining order, temporary or permanent, against an individual, who may impact the employee at work (e.g. verbal or physical contact or proximity has been prohibited or restricted), shall immediately supply a copy of the signed order to his/her supervisor. The supervisor shall provide copies to the other appropriate supervisors and inform other employees on an as-needed basis.

E. Investigation and Investigation Findings: The District will investigate all complaints filed and may investigate in other situations where no complaint was filed but was brought to the District's attention. Retaliation against a person who makes a good-faith complaint regarding violent behavior or threats of violence made to him/her is also prohibited.

In appropriate circumstances, the District will inform the reporting individual of the results of the investigation. To the extent possible, the District will maintain the confidentiality of the reporting employee and the investigation, but may need to disclose results in appropriate circumstances; (e.g., in order to protect individual safety or to conduct an adequate investigation).

SECTION 3. GRIEVANCE PROCEDURE

3.01 Purpose

The purpose of this Section is to provide for an internal method for resolving grievances under the terms of the *Employee Handbook*. A determined effort shall be made to settle any grievance at the lowest possible level in the grievance procedure.

3.02 Definitions

- A. Grievance: A "grievance" is defined as any complaint that arises under this *Handbook* regarding the interpretation, application or violation of this *Handbook*. The grievance should entail:
 - a. Clear concise facts of the grievance;
 - b. The part of the handbook allegedly violated;
 - c. The remedy sought, and;
 - d. Shall be signed and dated by the grievant and/or his/her designee.

- B. Grievant: A "grievant" may be any employee or group of employees.
- C. Day: The term "days" as used in this Article shall mean regularly scheduled workdays, or during the summer, days when the District Office is open, unless otherwise indicated.

3.03 Time Limits

The time limits set forth in this Section shall be considered as substantive, and failure of the grievant to file and process the grievance within the time limits set forth in this Section shall be deemed a waiver and a settlement of the grievance. The number of days indicated at each level should be considered a maximum. The time limits specified may, however, be extended by the mutual consent of the District and the grievant. The parties may, through mutual consent, agree to start the grievance at a higher step if the grievance involves termination and is initially filed in a timely manner pursuant to the timelines set forth below.

3.04 Grievance Processing Procedure

Grievances shall be processed in accordance with the following procedure:

Step One - Informal Resolution: An earnest effort shall first be made to settle the matter informally between the employee and the immediate supervisor. The informal meeting and discussion shall occur within thirty (30) days after the facts upon which the grievance is based first occurred. The immediate supervisor will give an answer to the grievant within ten (10) days. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file a written grievance.

Step Two - Written Grievance: If the grievance is not resolved at Step One, the grievant(s) may file a written grievance with the immediate supervisor within ten (10) days of the response in Step One above or if no response is provided within ten (10) days of the deadline for the response. The immediate supervisor shall respond to the grievance in writing within ten (10) days. However, if there is an ongoing investigation related to the subject matter of the grievance, the immediate supervisor shall have until ten days after completion of the investigation to respond to the grievance. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal to the District Administrator.

If the grievant's immediate supervisor is the District Administrator, the grievant shall skip Step Three and proceed directly to Step Four if he/she is not satisfied with response of his/her immediate supervisor at Step Two (or if no answer is provided in the above timeframe).

Step Three - Appeal to District Administrator: If the grievance is not resolved at Step Two, the grievant may appeal the written grievance to the District Administrator within ten (10) days after the response at Step Two or if no response is provided within ten (10) days of the deadline for the response. The District Administrator shall meet with the grievant(s) and/or the employee's designated representative and the principal or immediate supervisor within ten (10) days after receiving the written grievance. The District Administrator shall respond to the written grievance within ten (10) days of the meeting or at a later date as determined by the District Administrator if further investigation is warranted. The District Administrator shall indicate in writing the disposition of the grievance and forward it to the grievant and (if applicable and appropriate) the grievant's representative. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal to the impartial hearing officer, if the grievance involves discipline, termination, or workplace safety.

Step Four - Appeal to Impartial Hearing Officer: If the grievance is not resolved in Step Three, the employee must notify the District Administrator, within ten (10) days after receipt of the District Administrator's answer or if no response is provided within ten (10) days of the deadline for the response, if he or she intends to process the grievance to an impartial hearing officer.

This step of the process is available only if the alleged violation of District policy or *Employee Handbook* involves discipline, termination, or workplace safety. Grievances involving any other issue may be appealed directly to the Board under Step Five, and the Board shall review the decision that the District Administrator issued in Step Two or Three.

If there is a dispute over the timeliness or the ability to use the grievance procedure on the issue, the Administration shall have the discretion to bifurcate the hearing for the purpose of deciding those issues (i.e. address whether the grievance was filed in a timely manner before hearing the merits of the grievance or address whether the content of the grievance is properly before the impartial hearing officer).

An Impartial Hearing Officer shall be chosen from a panel of five (5) names submitted by the W.E.R.C. The employee and the District Administrator shall alternatively strike one name from the list of five (5) until one name remains.

Step Five – Appeal to Board of Education: If the grievance is not resolved at the prior step, the grievance may be appealed to the School Board within ten (10) days after the decision at the prior step. Either the administration or the grievant may appeal an impartial hearing officer's decision to the Board. The Board's decision is final and may not be appealed.

The Board shall meet with the parties to review the evidence and hear testimony relating to the grievance and make its decision at the next regularly scheduled Board meeting or special meeting within fifteen (15) days. The Board's written response shall be received by the grievant within five (5) business days following said meeting.

All Board actions throughout this process shall comply with requirements of Wisconsin's Open Meetings Law.

3.05 Grievant's Right to Representation

Any grievant may be represented at all stages of the grievance procedure by a representative(s) of his/her own choosing.

3.06 Consolidation of Grievances

Grievances of the same type, and with similar fact situations, may be consolidated at the discretion of the Administration.

SECTION 4. PAY PERIODS

- B. Week: A week shall run from 12:00 midnight (12:00 a.m.) Sunday until 11:59 p.m. the following Saturday.
- C. Pay Period: The pay periods are bi-weekly beginning with the first pay period in July.

4.02 Salary Deferrals –Tax Sheltered Annuities (TSA)

- A. The District will maintain a TSA program without regard to the employee's current or former employee's contribution amounts. Employees shall have the opportunity to participate in the District's Internal Revenue Service (IRS) Code 403(b) Savings Program and invest their money through salary deferral in annuities and other qualifying IRS Code 403(b)(7) investment vehicles (collectively referred to as an "Investment Vehicle").
- B. The purchase of the annuity will be optional for the individual employee. The employee may make 403(b) elective salary reductions in one or both of the following ways:
 - 1. Pre-tax dollars (salary reduction, also known as "regular" TSA contributions) or
 - 2. After tax dollars (also known as "Roth" TSA contributions).
- C. Employees will be permitted to have their contribution remitted via payroll deduction to an Investment Vehicle offered by a vendor listed as a District-approved vendor, as required by the IRS Code and as directed by the District's plan document.

- D. A vendor becomes a District-approved vendor by meeting the requirements set forth by the District that include, but are not limited to, the vendor signing a District-approved Hold Harmless Agreement. The District may ask for proof of vendor registration from the employee to ensure a District-approved vendor has been chosen. The total number of vendors shall be limited to no more than 6. If at any time there are no active employees contributing to a particular vendor, that vendor shall be removed from the District-approved vendor list.
- E. The amount to be deducted is selected and the determination made wholly by the person choosing to participate in the Savings Program.
- F. Effective July 1, 2011, or sooner if administratively feasible, if the vendor accepts electronic payments, the District will electronically transmit to the TSA vendor(s) the amount of the salary deferral elected by the employee if the vendor does not accept electronic payments, the District will make the payments by paper check. This new provision for transmitting to vendors will require the District to transmit the amount of salary deferral twice a month, if the vendor provides the District with an invoice twice per month. The salary deferral will be transmitted on or about the date the money is deducted from the employee's paycheck, provided that the District receives the appropriate invoice from the vendor. In unforeseen circumstances, transmittals will be made no later than fifteen (15) business days following the end of the month in which the amount would have been paid to the participant.
- G. Employees may choose to defer either a percent of salary or a specific dollar amount up to the amount permitted by law. The salary reduction limit (402(g)(1)), the age fifty (50) additional deferral (414(v)(2)(B)(i)), and the "catch up" provision (402(g)(7)) for employees with fifteen (15) or more years of service may change annually.
- H. The salary reduction limits will be adjusted from time to time to conform to statutory limits.
- I. Catch-Up Contributions
 - 1. Documentation will only be required where the employee's total (and Age 50+) deferrals for the calendar year are in excess of the 402(g) limits.
 - 2. The employee agrees to provide documentation certifying compliance with applicable IRS rules and regulations from the Employee's TSA vendor within thirty (30) calendar days if requested by the District.
 - 3. The District agrees to provide the employee, upon written request, with timely information available from the District's records, which is necessary to enable the employee to make catch-up deferrals.
- J. General:
 - 1. The employee shall be permitted to change the TSA amount or vendor three (3) times per calendar year, unless otherwise permitted by the District Administrator, provided he/she provides the District with at least ten (10) business days notice prior to the second payroll date of the month. Stopping contributions does not constitute a change. Upon initial enrollment for new employees, the employee shall certify in writing as requested by the District but no more than two times per year (e.g., due to a change in full-time equivalency, absence, other deferrals, etc.), that the percentage or dollar amount of salary reduction withheld from compensation complies with the limits applicable to 403(b) TSA plan deferrals and does not exceed the amount permitted under Section 403(b), 415 and 402(g) of the IRS Code except as provided for below.
 - 2. In no event shall the employee's contribution exceed one hundred percent (100%) of the employee's compensation less payroll and other required deductions. Employee and employer contributions are 100% vested and non-forfeitable at all times.

3. Loans shall be permitted to the extent permitted by each vendor as detailed in the plan document. Loans are limited to:
 - a. \$50,000, reduced by the greater of (i) the outstanding balance on any loan from the employee's TSA plan on the date the loan is made or (ii) the highest outstanding balance on loans from the employee's TSA plan during the one-year period ending on the day before the date the loan is approved by the plan administrator (not taking into account any payments made during such one-year period); or
 - b. One half of the value of the employee's vested account balance (as of the valuation date immediately preceding the date on which such loan is approved by the plan administrator).
 - c. Contact the vendor or plan administrator for further information on loans.

***Note:** Loans are included in taxable income under certain conditions, including: if the loan, when combined with the balance of all other loans from plans of the District, exceeds the limitations described above; or if there is a failure to repay the loan in accordance with the repayment schedule. Because the tax treatment of a loan depends on information concerning aggregate loan balances under all annuity contracts and custodial accounts within the District's TSA Plan (and under all plans of the employer), information about loan balances under the contracts and accounts of other vendors is needed before making a loan. That information may be obtained from the participant, but the plan administrator should also collect and coordinate that information in order to decrease the instances in which participants have taxable income from plan loans.*

4. Hardship withdrawals are permitted and IRS safe harbor standards with respect to estimating an immediate and heavy financial need [Treasury Section 401(k)-1(d)(3)(iii)(B) will be used]. Contact the vendor or plan administrator for further details if a hardship withdrawal is requested.

K. Salary Reduction Agreement:

1. Employees will be required to sign an agreement to authorize TSA deductions from salary. The District, without the consent of the employee, is authorized to modify the salary reduction agreement to comply with applicable legal requirements. The District will provide the employee with reasonable notice concerning any such modification.
2. The District will provide the employee with a dated and initialed copy of the authorized salary reduction agreement once the employer acknowledges receipt of the modified salary reduction agreement.
3. A change in a beneficiary designation shall take effect when the Vendor accepts the election.
4. By authorizing TSA deductions from his/her salary, the Employee acknowledges that the District made no representation to the Employee regarding the advisability, appropriateness or tax consequences of any salary reduction agreement, participation in a tax sheltered annuity, or the company which issues the annuity contract or which invests the Employee's salary reduction funds. Furthermore, the Employee agrees the District shall have no liability whatsoever for any loss, solvency, operation or benefits provided by the TSA vendor.

- L. Deferred Compensation: Employees may defer salary through the Wisconsin Deferred Compensation Plan (457). The plan limitations and salary deferral rights will be those permitted by the TSA unless the Deferred Compensation plan's rules are in conflict, in which case the Deferred Compensation rules shall apply.

SECTION 5. COMPENSATION AND EXPENSE REIMBURSEMENT APPLICABLE TO ALL DISTRICT EMPLOYEES

5.01 Mileage Reimbursement

The District shall reimburse employees an amount equal to the Internal Revenue Service (IRS) business travel rate per mile to each employee required by the District to drive his or her personal vehicle during the course of performing duties for the District. This provision will apply up until the sixtieth (60th) consecutive day of leave or as long as the employee has accumulated sick leave available, whichever occurs first.

No other leaves will be applied to the worker's compensation leave. The employee, subject to the rules and regulations of the carrier, may be eligible for long-term disability leave.

6.03 Injuries Not Covered by Worker's Compensation

Some types of injuries suffered while at work may not be covered by worker's compensation insurance. Examples of non-covered injuries suffered at work include, but are not limited by enumeration to, the following:

- A. Injuries because of a self-inflicted wound;

 - 3. Serious health condition of a spouse, child, domestic partner or parent. The number of days under this provision is limited to ten (10) sick leave days per year. Year is defined as July 1 through June 30, which shall be the same as the year defined for the purposes of the federal Family and Medical Leave Act.
 - 4. Medical or dental appointments for the employee and/or child that cannot be scheduled outside of the employee's regularly scheduled work hours.
- B. Definitions: the following definitions apply under this section:

Child: means a natural, adopted, foster or treatment foster child, a stepchild or a legal ward who is less than eighteen (18) years of age or the individual is eighteen (18) years of age or older and cannot care for himself or herself because of a serious health condition. 7.04 Overused Sick Leave

If an employee were to leave the school system prior to the completion of his/her contract term or the school year for an individual employee and had used all sick leave, a sum equal to the sick leave days not earned would be deducted from the remaining pay. Deductions will be based on one (1) day of paid sick leave earned per month of employment to a maximum of twelve (12) days per contract year.

7.05 Reporting Procedure - Doctor's Certificate

If at all possible, each employee shall be required to inform his/her supervisor prior to, or within the one hour of his/her normal daily starting time of his/her need to be absent for one of the reasons stated in 7.02 above. Whenever the supervisor deems such verification appropriate, the employee may be required to furnish the District with a certificate of illness signed by either a licensed physician or a nurse practitioner. Such certificate should include a statement releasing the employee to return to work and a statement as to whether any limitations or restrictions are placed upon the work that may be performed. Nothing in this section shall be interpreted as limiting the District's ability to discipline or discharge employees for excessive absenteeism.

7.06 Sick Leave Listing

At least once per year, each employee shall receive a report summarizing his/her sick leave and personal leave usage [if applicable] during the previous employment year.

SECTION 8. JURY DUTY LEAVES

8.01 Jury Duty Leave

Subject to the provision on "Payment for Time Out on Jury Duty" (see below), a non-accumulative paid leave for as much time as is required will be provided to an employee to serve on a jury for which the court summons him or her when such duty occurs during the employee's work hours. No paid leave will be provided for jury duty that occurs outside of the employee's regular work hours or workdays.

8.02 Employee Notice

An employee must notify his or her immediate supervisor as soon as notice of jury duty is received. Also, the employee is expected to contact his or her immediate supervisor immediately upon termination of jury duty or when temporarily relieved of jury duty.

8.03 Payment for Time Out on Jury Duty

An employee who is unable to report for work because of jury duty will be paid the regular hours he or she is scheduled to work. The employee will send a copy of the check received from serving on the jury to the District Administrator and/or his/her designee and will be docked that amount (less any travel expenses received) on the next payroll. The employee will not suffer any loss of benefits that would be accrued during this time (i.e. sick leave, health insurance, vacation, etc.) or loss of any salary adjustment to which the employee is entitled. The time required for any employee to serve on jury duty will not be deducted from sick leave or vacation time the employee has earned or will earn in the future.

SECTION 9. BEREAVEMENT LEAVE

9.01 Bereavement/Funeral Leave for a Death in the Family

In the event of death in an employee's family, the employee shall be allowed per occurrence 3 day(s) off work with pay. Such days shall not be deducted from the employee's accumulated sick leave

9.02 Additional Bereavement Leave

In extenuating circumstances, additional days may be granted by the District Administrator or his/her designee. Such additional days, at the option of the employee, shall be deducted from the employee's accumulated sick leave if the employee wants paid leave.

9.03 Part-time Employee

Part-time employees will receive bereavement leave on a pro-rated basis based upon the number of hours they are scheduled to work. The pro-rated amount shall be based on the assumption that a full-time employee works 2,080 hours per year.

9.04 Bereavement Leave Increments

Bereavement leave may be allowed in increments of two hours.

SECTION 10. PERSONAL LEAVE

10.01 Personal Days Provided

- A. Calendar Year Employees: Employees shall be entitled to up to 3 days of personal leave each employment year.
- B. School Year Employees: Employees shall be entitled to up to 3 days of personal leave each employment year.
- C. A "day" of personal leave is defined the same as a "day" of sick leave and may be used in the same increments as sick leave.

10.02 Reasons for Personal Leave

Personal leave may be used for compelling personal obligations that cannot reasonably be conducted outside of the employee's workday.

10.03 Personal Leave Day Restrictions

Personal leave days shall be deducted from sick leave and not be used to extend a holiday, vacation, or school recess period. The personal leave day will not be granted during the first or last week of a semester, on a parent-teacher conference day or on an in-service day. Personal leave during these periods may be approved for personal business that cannot be rescheduled for a different time at the discretion of the District Administrator or his/her designee. Personal leave shall not be used as vacation or to engage in activities for which the employee will receive compensation from any source. Compensation shall not include payment or reimbursement of expenses. If an employee has reached their maximum for accumulated sick leave, then the first two days of personal leave shall not be deducted from sick leave.

10.04 Approval of Personal Leave and the Total Number of Employees on Personal Leave

- A. A request in writing to the Administrator shall be made as far in advance as possible, normally not less than five (5) days. Emergencies may delay the submitting of the written statement until the employee returns to work.
- B. The Administrator has the right to approve or disapprove all requests.

No more than three (3) employees per building may take personal leave on any given day when school is in session, unless the District Administrator or his/her designee grants approval to exceed the three (3) employee limit.

10.05 Emergency Leave

All employees shall be allowed up to three (3) days leave per year with pay (not accumulative and not deducted from sick leave) in case of serious illness, major surgery or serious accident involving a member of the immediate family. The term “immediate family” shall be construed to mean spouse, mother, father, sister, brother, child, grandchild, grandparent, aunt, uncle, whether by blood or marriage. When the three emergency leave days have been used, the employee may use three additional days that will be subtracted from the employee’s accumulated sick leave. The employee should advise the principal at least one day in advance, when possible, of such use of sick leave.

10.06 Catastrophic Leave

The District offers a Catastrophic Leave-Sharing Program to give teaching staff a chance to support their colleagues who are facing a major health crisis, whether their own or that of a family member. The program allows employees to provide assistance in the form of donated compensation leave. It was developed as part of the District’s effort to create a caring environment, honor compensation time earned but no longer necessary in a post collective bargain era, and because many members of the school community have expressed a desire to assist their co-workers in this way. While the program establishes a mechanism for compensation leave transfers, participation is entirely voluntary.

10.07 Part-time Employees

Part-time employees will receive personal or emergency leave on a pro-rated basis based upon the number of hours they are scheduled to work. The pro-rated amount shall be based on the assumption that a full-time employee works 2,080 hours per year.

11.03 Request for Uniformed Services Leave

When time permits, the request for a reserve military leave should be as far in advance as possible so the employer can adequately plan for the absence. The request must be accompanied by a physician’s statement attesting to the disability and anticipated duration of the leave. The District reserves the right to request interim statements from the physician. The District will pay all costs associated with the second and third physician's certification.
- D. Failure to Return after Expiration of Leave: In the event the employee does not return to work following the expiration of the leave, and subject to applicable legal restrictions, he/she will be deemed to have resigned his/her position with the District and waived any and all rights to further employment by the District.
- E. Interaction with Family and Medical Leave Provisions: Unpaid medical leave, the term of such leave and participation in insurance programs under this section as provided for above shall run concurrent with any leave(s) provided for under the Wisconsin Family and Medical Leave Act and/or under the federal Family and Medical Leave Act.

- C. The Board may, at its discretion, discontinue the cash compensation in lieu of health insurance benefit by providing the participating employees with written notice of not less than sixty (60) days and an "open enrollment" opportunity to enroll in the group health insurance plan.
- D. Any employee who qualifies for participation in the District group health insurance plan may waive such participation and elect to receive cash compensation in lieu of the health insurance benefit. - I. Beginning Eligibility Date for Alternative Benefit Plan Payments:

1. New Employees. Payments shall be based on the employee's eligibility date. For new employees, this constitutes the employee's first day of active service. Employees not electing health coverage must enroll in the cafeteria plan prior to the employee's first day of active service. Thereafter, an annual election must be made prior to the beginning of each cafeteria plan benefit year (July 1) However, the District will use the same rule for contributions as for health insurance payments; if the employee's first date of active service is after the 15th of the month, no ABP contributions is required in that month. If the employee's first date of active service is on the 1st through the 15th of the month, the District will contribute the payment.
2. Current Employees. Current employees changing to the ABP when permitted by applicable Internal Revenue Code section 125 "cafeteria plan" rules are only eligible to waive coverage for the health insurance and begin the ABP on the first payroll of any month. Absent a mid-year (January through December) cafeteria section 125 exception (such as an employee getting married, loss of spouse coverage, etc.), employees must make a written annual cafeteria plan election prior to each July 1 to permit the election of the cash option in the next cafeteria plan year. Once the employee is eligible to begin ABP status, contributions will begin in that month.

13.09 COBRA Law Continuation of District Health Plan Participation

The District, pursuant to the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) and state law, offers employees the opportunity to remain on the District's health, dental and vision insurance plan at the group rate in certain instances where coverage under the plan would otherwise end.

1. Voluntary or involuntary termination of employment for any reasons other than "gross misconduct." (e.g., resignation or retirement);
 2. Death of the covered employee;
 3. Divorce or legal separation from the covered employee;
 4. Loss of "dependent child" status;
 5. Eligibility for Medicare entitlement;
 6. Reduction in work hours such that the employee no longer qualifies for coverage under the plan.
- B. **Period of COBRA Continuation:** In the event of one of the above qualifying events, COBRA coverage is available for up to eighteen (18) months, but may be extended to a total of twenty-nine (29) months in certain cases of disability (*see* Disability Extension below) or up to thirty-six (36) months if a qualifying spouse or dependent suffers a second qualifying event. The employee, employee's spouse and each covered dependent has an individual right to request COBRA coverage. Additionally, any child born to or placed for adoption with a covered employee during a period of continuation coverage is automatically considered a qualified beneficiary.
- C. **COBRA Extension [Second qualifying events]:** A spouse or dependent child may be eligible for COBRA extension coverage for a period of up to thirty-six (36) months if coverage is lost due to one of the following second qualifying events:
1. The employee's death;
 2. Divorce or legal separation;
 3. The covered employee becomes eligible for Medicare;
 4. A child loses his or her "dependent child" status.
- *Note:* The second event can be a second **qualifying** event only if it would have caused the qualified beneficiary to lose coverage under the plan in the absence of the first qualifying event.
- D. **Premium Cost & Payment:** The cost for this extended continuation coverage shall not exceed the group rate in effect for an active group member, including the District's contribution (i.e., the total amount the employee and District have been paying for health insurance coverage). If the cost for COBRA coverage changes during an employee's participation the employee will be notified of the new premium in writing prior to its due date.
- E. **Termination of Coverage:** Employee continuation coverage may be terminated automatically if:
1. The employee fails to make a monthly premium payment to the District on time;
 2. The employee obtains similar coverage through a different employer;
 3. The employee becomes eligible for Medicare and converts to an individual policy;
 4. The District terminates its health plan;

The employee's immediate supervisor will schedule working hours, break periods, and lunch periods.

2.03 Regular Work Week

A regular work week is forty (40) hours. The regular work week is five (5) consecutive days unless the immediate supervisor assigns the employee to a different work schedule. This section shall not be construed as a guarantee or limitation on the number of hours per day or hours in a work week which may be scheduled or required by the District.

2.04 Part-time Employees

A regular schedule of hours shall be prepared for part-time employees. Such schedule shall be made known to the affected employees.

- B. Assignment: Overtime assignments shall be assigned at the discretion of the District.
- C. Pay Rate for Overtime: Time worked over forty (40) hours per week is paid at one and one-half (1.5) rate. Time over forty (40) hours per week does not include sick, vacation, holiday, or personal leave time. The reason for overtime must be indicated on the back of the employee's time sheet. For the sole purpose of determining the appropriate pay period for the receipt of overtime pay, a week is defined as a pay period starting at 12:00 a.m. on Sunday and ending at 11:59 p.m. on Saturday.

2.06 Lunch Period

All employees who work six (6) hours or more per day will be entitled to an unpaid half-hour lunch period, which shall be duty free.

2.07 Breaks

Employees scheduled to work at least four (4) hours per workday shall receive one (1) fifteen (15) minute paid break. Employees scheduled to work at least eight (8) hours per workday shall receive two (2) fifteen (15) minute paid breaks. Breaks shall be scheduled by the immediate supervisor.

At least 6.0 to 7.99 hours	15 minutes and 30 minute duty-free lunch
At least 8.0 or more hours	(2) 15 minutes and 30-minute duty-free lunch

2.08 Time Sheets or other Form of Electronic Tracking of Hours Worked

Time sheets shall be used by all employees. Employees shall track their own time on time sheets when reporting to work. Employees shall update their own time sheets when leaving for the day.

2.09 Emergency School Closings

- A. All scheduled custodians and essential secretaries are expected to report to work when school is closed due to inclement weather or situations beyond the control of the District, if at all possible.
- B. All other employees shall not report to work on days when the school to which they are assigned is closed due to inclement weather or situations beyond the control of the District. Any employee not at work when school is closed for an emergency shall not be paid for that day. Employees shall be required to make up days in the event that the District schedules make-up days.
- C. If employees report to work and a decision to close schools is made after that time, those employees will only be paid for the actual hours worked on such day.

2.10 Flexible Schedule

An employee may request a change in his/her weekly work schedule. The request for a change in the employee's weekly work schedule shall be made at least one (1) week in advance of the proposed change, unless circumstances necessitate for a shorter notice period. The immediate supervisor shall have the authority to grant or deny the employee's request in his/her sole discretion. All hours of work under a flexible work schedule agreement must be completed within one regular workweek. The agreement to allow an employee to have a flexible work schedule shall not, in and of itself, result in the employee being eligible for overtime.

2.11 Call-In Pay

Employees called in to work hours outside of their regular work schedule that are not contiguous with their regular work schedule, except as noted below, and shall be paid no less than two (2) hours pay. The District may, at its discretion, require such employees to work the full two (2) hour period. SECTION 3. HOURS

REDUCTION IN FORCE, POSITIONS &

3.01 Reasons for Reduction in Force

In the event the Board determines to reduce the number of positions (full layoff) or the number of hours in any position (partial layoff), the provisions set forth in this Article shall apply.

3.02 Notice of Reduction

The District will give at least fourteen (14) calendar days notice of layoff. The layoff notice shall specify the effective date of layoff, that it is the responsibility of the employee to keep the District informed in writing of any changes in the employee's address, and that it will refer the employee to the Reduction in Force provision in this *Handbook*.

3.03 Selection for Reduction – Steps

In the implementation of staff reductions under this section, individual employees shall be selected for full or partial layoff in accordance with the following steps:

- A. Step One - Attrition: Normal attrition resulting from employees retiring or resigning will be relied upon to the extent that it is administratively feasible in implementing layoffs.
- B. Step Two - Volunteers: Requests for volunteers will be sent to employees within each job category. Volunteers will be laid off first. An employee who volunteers to be laid off will put his/her request in writing. The District will only accept volunteers if in the District's opinion the remaining employees in the job category are qualified to perform the remaining work.
- C. Step Three - Selection For Reduction/Layoff: The District shall select the employee in the affected job category for layoff or reduction in hours.
 1. Job categories for the purpose of this section shall be defined as:

a. Custodian	b. Lead Custodian
c. Clerical	d. Instructional Assistant
 2. The District shall utilize the following criteria in order of application for determining the employee for layoff or reduction in hours:
 - a. Educational Needs of the District: Will be those needs as identified and determined by the District Administrator as approved by the school board through normal channels in accord with its constituted authority.
 - b. Qualifications as established by the Board: Including, but not limited to specific job skills, certification [if applicable], training, district evaluations, etc.
 - c. Qualifications of the Remaining Employees in the affected job category: Relevant qualifications will be those experiences and training that best relate to the position(s) to be maintained and District needs as approved by the board. These experiences shall include but not be limited to: current and past assignment and practical experience in the area of need; and
 - d. Length of Service of the Employee.
 - 1) Length of Service: Is defined as length of service with the District commencing on the most recent date of hire. No distinction will be made between full-time and part-time employees in calculating length of service.
 - 2) Tie Breaker on Length of Service: In the event two or more employees start on the same date, the employee who is senior shall be determined by the District.

- 3) Length of Service List: The District will annually produce a length of service list and provide it by September 30th. The employees will raise any objections to the proposed length of service list by December 1st.

3.04 Reduction in Hours

Employees who are reduced in hours shall not lose any benefits they have accrued. Benefits are defined by length of service, sick leave, and vacation earned as an employee. Reduced in time employees shall be treated as part-time employees under this *Handbook*. Any employee who is reduced in hours (partial layoff) may choose to be fully laid off.

3.05 Insurance Benefits during Layoff

Please see Part I, Section 15, COBRA, subsection 15.11 for an explanation of insurance continuation options.

3.06 Accrued Benefits during Layoff

SECTION 4. ASSIGNMENTS, VACANCIES, TRANSFERS

4.01 Job Posting

When a position becomes vacant or a new position is created, notice of such available position shall be posted internally and externally simultaneously for a minimum of ten working days, unless exigent circumstances as determined by the District require a shorter posting period. The District retains the right to temporarily fill vacant positions at its discretion during the posting and selection period. Vacancies will be posted on the District's website.

4.02 Trial Period

A District employee who is selected for a vacancy will serve a trial period in the new position. The trial period will be for ten working days. Prior to the expiration of the trial period, either the employee or employer may declare the trial period unsatisfactory and the employee shall return to his/her former position. The decision to return the employee to his/her position is not subject to the grievance procedure.

4.03 Involuntary Transfers

When the District determines that an involuntary transfer of an employee is necessary, the District reserves the right to transfer an employee in the District qualified for the position. No employee will be involuntarily transferred by the District without a conference.

SECTION 5. PAID VACATION

5.01 Calendar Year (two hundred and sixty (260) scheduled work days) Full-Time and Part-Time Employees

Paid Vacation will be provided to Calendar Year Full-time and Calendar Year Part-time employees according to the following schedule:

Number of Years Worked	Vacation Days Earned
After one (1) year of service	5 days
After two (2) years of service	10 days
After seven (7) years of service	15 days
After fifteen (15) years of service	20 days

Employees in their first year of service earn a pro-rated amount of vacation based upon the number of months worked. For example, an employee hired in October 1, 2016 would be eligible to earn nine-twelfths (9/12) of the employee's vacation allotment on July 1, 2016. This would entitle the employee to $9/12 \times 5$ days on July 1, 2016 or 3.75 days. The employee under this example would be entitled to five (5) days of vacation on July 1, 2016. This provision is not retroactive.

"Years of Service" as set forth in this Article refers to years of service in the District in a position that is eligible for vacation under Part III. Eligible employees in the District shall receive the preceding vacation depending on years of service as measured each July 1st. For calculation purposes vacation is earned based upon the prior year's service. For part-time employees, vacation pay shall be pro-rated based on the average number of hours worked per week during the previous year.

5.02 Scheduling of Vacation

Vacation time may be taken in full blocks, or in shorter blocks not less than one hour as arranged with the immediate supervisor. Requests for vacation time shall normally be made and approved at least five (5) working days prior to taking such leave, however, vacation time requested with less than five (5) working days notice may be approved by the District Administrator and/or his/her designee. No employee may be denied the ability to take all of his or her accrued vacation during a 12-month period, but the District Administrator and/or his/her designee shall have the right to schedule vacations on a first-come, first-served basis, as necessary to accomplish work objectives. All vacations shall be taken during the school vacation months except by special arrangement with the immediate supervisor or his/her designee.

5.03 Vacation Accumulation

An employee may carry over a total of five vacation days from the prior year to the next year's vacation amount. Carry over days do not accumulate and will expire at the end of the carry over year. Vacation days, in excess of the days carried over above, not used by the end of the applicable twelve month period, i.e. June 30th, shall be forfeited.

5.04 Payment upon Termination/Transfer to a Position Not Eligible for Vacation

Any employee who terminates his or her employment for any reason, other than discharge, or any employee who transfers to a position that is not eligible for vacation, shall be entitled to the vacation pay remaining in his or her accumulation, as well as a pro-rated amount of the vacation that the employee would have received upon his or her next anniversary. Compensation for any unused vacation days will be equal to the daily wages per accumulated day at the time of the employee's termination and will be remitted on the final paycheck.

5.05 Holidays during Vacation

Should a paid holiday fall during an employee's vacation period the employee shall be allowed to take an additional day of vacation in lieu of such holiday.

If December 24 and December 31 fall on a Sunday, the preceding Friday shall be declared the holiday unless the preceding Friday is a student contact day.

Employees who begin employment after January 1st will remain on the same step for the ensuing fiscal year. An employee may be held to the previous year's step for less than satisfactory performance. An employee may be frozen at his/her previous year's wage rate for more serious nonperformance.

7.03 Out-of-Classification Pay

Any employee working in a higher paid classification for more than ten (10) working days shall receive the pay of that classification. Upon completion of the employee's assignment under the higher pay scale, the employee shall revert to his or her former classification and rate.

7.04 Rate of Pay upon Promotion

Whenever an employee is promoted to a new higher paid classification, he or she will be placed at the step that gives the employee the smallest wage increase. Such training or education shall not be done during the employee's working hours, nor shall it result in overtime. Any employee who breaches this Article shall, at the District's discretion, forfeit any accrued benefits.

SECTION 11. Benefits

11.01 Annuity Contributions

The Board will pay each bargaining unit member a sum equal to the most recent WRS state rate for employer contributions multiplied by their previous year's gross regular time wages for each employee. This sum is to be placed into a tax sheltered annuity program specified by the employee. This sum will be calculated in February and the employee notified. An employee must have worked a minimum of ninety (90) days in the district prior to February 1 to be notified not later than March 15 by the employee as to the employee's choice of annuity program. The annuity payment will be prorated for new employees who qualify but do not have a full year of employment with the district. The annuity for first year employees will be calculated using probation compensation from the previous year. The annuity payment will be made to the designated company by March 31. If an employee terminates employment during the contract year, the annuity payment will be calculated prorating the previous year's wages. Employees terminating employment between March 31 and June 30 will have this portion of the annuity payment deducted from their final paycheck.

11.02 Sick Leave Accumulation

Sick leave will accumulate for full year and school year employees to a maximum of sixty (60) or forty-five (45) (depending upon the maximum days allowed for the classification the employee is in). II. Employee Deferrals – WDCP Section 457(b) Pre-tax Deferral Election.

I have elected to participate in the Wisconsin Deferred Compensation Plan ("WDCP") sponsored by the Wisconsin Department of Employee Trust Funds. I hereby authorize the School District ("District") to withhold \$ _____ OR _____% (whole dollar/percentage amount) from my compensation per pay period.

This Agreement shall be effective as of the first pay date which is not less than ten (10) business days following the date of execution of this Agreement. The District shall remit the withheld funds to the following Vendor(s) that I have selected:

Amount (whole dollar/percentage)

Vendor Name

\$ _____ OR _____% _____

I have established an account with the 457(b) vendor(s) indicated above: ☐ Yes ☐ No

[Employee must establish account with vendor(s).]

III. Terms/Conditions. This Agreement is legally binding upon me and may be terminated by me only by giving notice of termination in the payroll period preceding the payroll period in which the termination is to be effective.

By the execution of this Agreement, I represent that:

1. I understand and agree that there are limitations on my deferrals under the School District Employees Tax Shelter Annuity Plan and WDCP and that my contributions under this election do not exceed those limits. Further, I confirm that any deferrals in excess of the general limitations are due to my eligibility for either "catch-up" election which allows for a deferral in excess of the \$16,500 limit (for 2011, adjusted annually) for the 403(b) plan and \$16,500 limit (for 2011, adjusted annually) for the WDCP Section 457(b) Plan.
2. This Agreement shall terminate any prior Salary Reduction Agreement executed between myself and the District under the School District Employees Tax Shelter Annuity Plan and WDCP.
3. I have made an independent determination as to my desire to make these salary deferrals.
4. I have assessed the risk associated with such investment(s) and have determined, with such professional advice as I deemed necessary, that the product offered by the Vendor is suitable to me.
5. The District has no responsibility to evaluate, explain, or advise me, now or in the future, as to the performance, status or otherwise of the operation or soundness of any product or investment offered by the Vendor or alternative investments. The Employer shall not make any representations to the Employee regarding the advisability or appropriateness of the tax consequences of this Salary Reduction Agreement, participation in the Tax Sheltered Annuity, or the specific vendor selected by the Employee. If such representations are made, the Employee shall disregard such representations and the Employee shall not rely upon such representation.

6. I have made an independent determination as to my deferral level after consideration of the requirements of law and affirm that my contributions are within the limits of the law.
7. I understand that I am responsible for determining that the amount of my deferral contributions elected above in this Salary Reduction Agreement, plus any amount deferred under a SIMPLE plan, a 401(k) plan or other 403(b) plan not sponsored by the District, does not exceed the maximum limit specified under Internal Revenue Code section 402(g) for any given plan year.
8. I have not made more than three (3) other changes in the amount contributed under the Tax Shelter Annuity Plan during the same plan year as the deferral under this Agreement, unless otherwise permitted by the plan document.

By executing this Agreement, I hereby elect, where the general limitations of Code sections 403(b), 415(c) and 457(b) are not satisfied, such alternative limitations as are available and necessary for me to comply with the annual addition limitations, as determined under Code sections 415(c)(4) and 457(e).

NOTICE OF SCHOOL DISTRICT POLICIES ON SEX DISCRIMINATION, THE DISTRICT'S TITLE IX COORDINATOR(S), AND PROCEDURES FOR REPORTING OR FILING A COMPLAINT OF SEX DISCRIMINATION

Title IX Nondiscrimination Policy Statement –

As mandated by the current provisions of Title IX of the Education Amendments of 1972 and under the regulations set forth in Chapter 106 of Title 34 of the Code of Federal Regulations (“the federal Title IX regulations”), the District does not unlawfully discriminate on the basis of sex in any education program or activity that the District operates. Title IX’s requirement not to discriminate in any education program or activity extends to cover, but is not limited to, District students, certain admissions processes, and District employment. Inquiries regarding how Title IX and the federal Title IX regulations apply to the District may be referred to a District Title IX Coordinator (as designated below), to the Assistant Secretary for Civil Rights at the U.S. Department of Education, or to both.

The District’s commitment to nondiscrimination under Title IX and under other state and federal laws is further defined in the following policies of the School Board: *Policy 113*.

District Title IX Coordinators –

The District employee who holds the position identified below serve as Title IX Coordinator for the District:

Angela Klein

Director of Special Education & Pupil Services

Elementary Office: 611 Cothorn Street, Mineral Point, WI 53565

MS/HS Office: 705 Ross Street, Mineral Point, WI 53565

Phone: 608.987.0712

Email: angela.klein@mp.k12.wi.us

Reporting Sex Discrimination –

Any person (including a person who is not claiming to have been personally harmed/victimized by the alleged discrimination) may report a concern or allegation regarding prohibited sex discrimination (including sexual harassment) to the District. Such reports may be submitted as follows:

1. To a District Title IX Coordinator, either in person, by U.S. mail, by telephone, or by electronic mail, using the contact information listed above. In person reports should be made when the Title IX Coordinator is reasonably available during regular working hours. Reports submitted by telephone, mail, or electronic mail may be made at any time.
2. By any other means that results in a Title IX Coordinator actually receiving the person's verbal or written report.

Filing Formal Complaints of Title IX Sexual Harassment –

As required by the federal Title IX regulations, the District has established a formal grievance process for investigating and resolving “formal complaints” of “sexual harassment,” as those terms are defined in the regulations.

An individual who is alleged to be the victim of conduct that could constitute sexual harassment under the federal Title IX regulations (i.e., a Title IX “complainant”), or a parent or guardian who has a legal right to act on behalf of such an individual, may file a formal complaint of sexual harassment. No Title IX complainant is obligated to file a formal complaint, but a qualifying formal complaint is necessary for the District to start an investigation using the District’s formal Title IX grievance process.

Complainants are expected to file formal complaints of sexual harassment with a District Title IX Coordinator by electronic submission within the Safe School Alert Online Tip Reporting, submitting a document or electronic submission in person, by U.S. mail, or by electronic mail, using the contact information specified above.

Additional requirements for formal complaints of Title IX sexual harassment, including a description of the required content for a formal complaint, are set forth in Policy 113 within the School Board policies.

District Response to Reports and Complaints of Sex Discrimination and to Formal Complaints of Sexual Harassment under Title IX –

The District has established grievance procedures through which the District structures its response to reports that allege unlawful discrimination on the basis of sex in any education program or activity of the District. Those procedures are set forth in 411-Rule and 511-Rule within the School Board policies published on the District’s website. The purpose of such procedures is to provide for the prompt and equitable resolution of any report or complaint of alleged sex discrimination, excluding formal complaints of sexual harassment under Title IX (which are subject to a different process).

Any time that the District has actual knowledge of sexual harassment or allegations of sexual harassment that could constitute a violation of Title IX, the District has obligations to respond to such knowledge in a manner that is not deliberately indifferent and in a manner that treats the alleged victim(s) of sexual harassment and the alleged perpetrator(s) of sexual harassment equitably. Such a response includes, but is not limited to, offering supportive measures to a complainant and investigating and resolving any formal complaint that presents allegations of Title IX sexual harassment using the formal grievance process that the District has adopted for such formal complaints. District procedures for responding to alleged sexual harassment under Title IX, including the formal grievance process, are set forth in Policy 113 within the School Board policies published on the District’s website
