

The School Board of the Mineral Point School District sets forth the following statement(s) to encapsulate the vision and fundamental purpose of the District and its schools:

Mission Statement

Grounded by our history, as one of the oldest publicly supported schools in Wisconsin, MPSD is the heart of a small community that educates and inspires our students for a bright future in a big world.

Vision Statement

- The Mineral Point School District will be a recognized leader in education.
- Students will attain higher levels of academic achievement, resulting in greater lifetime opportunities.
- Individualized learning will be embraced through innovation and technology.
- The district will provide a collaborative and professional environment for teachers to learn and develop innovative instructional strategies.
- Student learning will be enriched by cultivating family, community, and business partnerships.

It is the Board's intent that the above statement(s) will guide and influence the work of the District's leadership team, the formulation of the District's strategic priorities, and the formulation of short-term and long-term goals at all levels of leadership, programs, and operations.

The Board believes that one of the important functions of the District's leadership team is to successfully communicate and reinforce the District's vision and guiding principles throughout the school community.
