

SUBSTITUTE TEACHERS

The building principals shall maintain a list of qualified substitute teachers to fill-in on a temporary basis when regular teachers are sick or on leave. Substitutes may be disciplined or discharged for any reason, so long as it does not violate the anti-discrimination policy, without recourse to the grievance process. Substitute teachers can be removed from the substitute call list at the discretion of the District.

Substitute teacher rates, usage and budgets shall be reviewed and approved by the Board each year.
