

MINERAL POINT SCHOOL DISTRICT

District-Wide Registration

ON-LINE REGISTRATION

Starting July 26, the Mineral Point School District will be gathering student demographics and forms utilizing Skyward Family Access. MPSD will have two days, **August 5 & August 9**, to allow you to pay fees in-person.

To update your student's demographics online, you will need to have your Family Access username and password. You will only be able to access this area in Family Access using your account information, not your child's account information. ONLY the primary family can complete all information and forms. The secondary family can only update secondary family's information. **Computers WILL NOT be assessable during registration. If you have questions with ON-LINE Registration, please contact the District Office at 987-0740.**

To enter Family Access, please take the following steps:

1. Go to the MPSD Website, www.mineralpointschools.org
2. Click the Skyward link under the Quick Links on the MPSD homepage.
3. Enter the username and password. **If you do not know your account information, click the 'Forgot your Login/Password?' link on the Skyward Family Access webpage.**
4. After you are successfully logged in, you may change your user login information.

All forms and demographic updates need to be completed by August 13th
