

SUMMER PROGRAM

Policy 351

Page 1 of 1

The Board may elect to operate summer classes or to permit pupils to attend summer classes operated by another school district on a tuition basis. Students enrolling in summer school shall be expected to attend on a daily basis.

The summer school program is financed from district funds and will be staffed by qualified and certified teaching personnel. The district designee shall plan the summer program and the board must approve it.

Adopted: January 1973

Revised: May 1986, August 2000, May 2013
