

CONSTRUCTION CONTRACTS

Either the school attorney or the architect-engineer shall prepare the contracts in accordance with policies of the Board of Education and the provisions as set forth in the plans and specifications. If the architect-engineer prepares the contract, it shall be received and approved by the school attorney prior to its being finally executed.

The contract shall be executed in triplicate along with copies of the performance and payment bond.

Adopted: October 1975
Revised: September 1986
