DIRECTOR TEAM

Jason Smith (Acting & Props Director) "Greetings! I am thrilled to once again be joining the director's team for this year's musical *Beauty and the Beast*. This is my third year here at Mineral Point and my 10th year teaching over-all. I currently hold a Bachelor's Degree from Colorado Mesa University, a Master of Arts from The University of Northern Colorado, I completed my Teacher Certification through Concordia University in Madison. As a high school and college student, I was active in theater and have been very fortunate to extend my passion for live theater into my teaching career. Here in Mineral Point, I have assisted in the direction of *Once Upon A Mattress* and *Les Miserables*, but other memorable productions that I have been involved with are *The Unsinkable Molly Brown*, *Where's Charley*, and *Little Shop of Horrors*. Previous to arriving at Mineral Point, I have assisted in directing middle school productions at my previous school where I aided in set construction as well as other technical aspects of the plays. When I am not at school, I enjoy spending time with my wife Nikole, children Gavin and Reese, and our dog Blue."

Lisa Duwell (Costume, Hair, Make-Up Director) "This is the 9th show I've helped costume for MPHS. I love getting to know the kids and helping them find their characters in their costumes. I firmly believe that theatre experience serves you well in all aspects of your life. Break a leg, Everyone!"

Matt Nevers (Pit Orchestra Director) earned his BME at UW-Platteville in 2002 and his Master's Degree in Instrumental Music Education from Vander Cook College of Music in 2008. He previously taught band in the Loyal School District before coming to Mineral Point in 2005. Mr. Nevers currently teaches 6-12 instrumental music as well as a college level Music and Culture course through UW-Oshkosh. His high school students who enroll in the course earn three undergraduate level credits for UW-Oshkosh and can transfer them to any university they like. Mr. Nevers also is a co-leader for the Mineral Point, WI / Redruth, Cornwall Student Exchange Program. He is the conductor of the Mineral Point City Band, and a frequent guest conductor of the Lancaster Community Band. Mr. Nevers also performs trombone in different area concert bands and pit orchestras. Mr. Nevers is a 2017 recipient of the Kohl Teacher Fellowship and is a member of NBA, WMEA, NafME and ASBDA.

DIRECTORS' NOTE

Disney's *Beauty and the Beast* has been a challenging and rewarding experience! This is Miss McHugh's fifth and Mr. Smith's third year directing a high school musical theatre show, and it has been pure joy watching each character and student evolve throughout the season (even on zoom)!

Given the overwhelmingly positive response that we received from the community regarding *Les Miserables*, we knew that it would be a tough show to follow. *Beauty and the Beast* has proven to be the exact adventure that our young actors were looking for, and we can't think of a better show for this year. At its heart, *Beauty and the Beast* is a story about looking beyond the surface and finding the good in situations and other people, as well as within ourselves. Our actors have risen to the challenge and have grown incredibly through their performances. We are very proud of them.

Covid-19, just as in every other aspect of our lives, has completely changed our production process this year. Regardless all of the unknowns and obstacles, we have remained undeterred in offering this opportunity to our talented and resolute students. From learning new technological skills, to deciding between varying mask prototypes, to teaching music and dance virtually, to digitizing fundraisers and communications, to researching health protocols and precautions, our directors and volunteers have shown amazing flexibility, creativity, teamwork, and diligence.

Though everything about this experience is a little bit different than normal, the directors team has worked harder than ever to create a show that both our students and audience will enjoy. We would much rather perform for a live audience of course, but we know you are with us (in your thoughts and prayers, and on the live stream), and we thank you for supporting us. We look forward to returning to live performances when it is safe once again, and we know you will be there with us when that time finally comes.

On behalf of the cast, crew, directors team, and volunteers, we hope that you enjoy this "tale as old as time" as we present our rendition of *Disney's Beauty and the Beast!*
