

Pointer Families:

A reminder -- students or guardians may pick up belongings tomorrow (Tuesday, March 17). When stopping by, please make sure to practice social distancing and retrieve your items in a very timely manner. If you are not feeling well, or have concerns regarding your recent travel, please contact the school offices to work out arrangements for retrieving your belongings.

Expect more information regarding Virtual Learning to come prior to March 30.

MIDDLE/HIGH

Questions?

High: 987-0730

Middle: 987-0720

To reduce social interaction, we ask that students come to school on 3/17 at the following times by first letter of your last name:

- Last names of families starting with A-I: 8 - 10 am
- Last names of families starting with J-R: 10 am - 1 pm
- Last names of families starting with S-Z: 1 pm - 3 pm

You will be let in through the security system and expected to self-navigate. If these times do not work for you, please call the school (987-0720 middle, 987-0730 high) to make arrangements for an alternative date/time.

Middle/High school students should make sure to have an electronic device at home in preparation for Virtual Learning Days. Middle school students who need Chromebooks will have them placed in their individual lockers. If you don't have reliable internet access, please consider also checking out a mobile hotspot from the library.

If you would like to check out books for this extended time away from school, please visit the library catalog to see what is available and email Mrs. McCoy a request today at kris.mccoy@mp.k12.wi.us for books to pick up tomorrow at school. Mrs. Gollon and Mrs. McCoy will pull the books, check them out to you, and put them in your locker.

If you run out of good reads over the next few weeks, please email Mrs. McCoy a request, and she will try to get the books to you.

Remember, there are a lot of great resources available on our [library website](#). Please reach out to Mrs. McCoy via email if you have any questions or would like to chat.

6TH GRADE

If you are able, please make sure you or your child comes into school on Tuesday to get the following materials for the virtual days. Mrs. Klaas will be here to help students gather materials if needed. If your child already has the materials listed below or you do not feel comfortable being out and about, you do not need to come into the building tomorrow. We will just mail the packet of materials out to students who are not able to come in or already have all of their notebooks.

Materials: math notebook, math textbook, calculator, science notebook, social studies notebook, language arts notebook, literature circle book, pencil pouch, AR books, a packet of materials (will be in Mrs. Klaas' room).

On the virtual days, March 30-April 3, please make sure your child logs into Google Classroom to see their assignments and to submit for attendance. Please email any of us if you have any questions.

ELEMENTARY

Questions?
987-0710

On Tuesday, March 17, you can stop by the school and pick up learning materials prepared by your teacher for virtual/distance learning days **starting March 30**. They will be available **outside your child's classroom**, in their assigned locker/cubbie space. If you are not feeling well or would rather not enter the school, alternative arrangements can be made through the office to distribute these resources to you. We are happy to do this for you.

To reduce social interaction, we ask that families come to school on 3/17 at the following times by first letter of your last name:

- Last names of families starting with A-I: 8 - 10 am
- Last names of families starting with J-R: 10 am - 1 pm
- Last names of families starting with S-Z: 1 pm - 3 pm

You will be let in through the security system and expected to self-navigate. If these times do not work for you, please call the school (987-0710) to make arrangements for an alternative date/time.

Teachers will not be available in person. If you have questions, please reach out to them through email or through the learning management system ([Seesaw](#) grades PK-2, [Google Classroom](#) grades 3-5). If families do not have access to a computer, students may check out a Chromebook or iPad through the school library during your designated time. Device availability is limited, so please request only as needed.

If your child has confirmed with you that all resources/materials will be sent electronically, you will not need to come into the school.

Thank you, Pointer Nation, for your patience and flexibility as we navigate these new ways of teaching and learning.

Be well.
