

## Mineral Point Unified School District COVID-19 GUIDELINES

### When should I keep my child home AND contact Nurse Lindsey?

- If anyone in the household is having symptoms that require testing for COVID-19:

**At least one of the following  
NEW symptoms:**

- New or worsening cough
- Temperature of 100.4 degrees or higher
- Diarrhea (3 or more loose stools)
- Vomiting
- New loss of taste or smell

**At least two of the  
following NEW symptoms:**

- Chills
- Headache
- Muscles Pain
- Nausea
- Sore throat
- Runny nose/Congestion
- Unusual Fatigue

- If your child has been exposed to a positive COVID-19 case
- If any non-student household members have been exposed to a positive COVID-19 case AND have developed any of the above symptoms
- If anyone in your household has a pending COVID-19 test (may or may not require your student(s) to stay home, call Nurse Lindsey to help determine this)
- If your child is/was too ill to participate for in-person or virtual learning

**Parents/Guardians it is extremely important that you reach out to me if you have concerns about symptoms or a potential exposure. We can discuss your unique circumstances and determine an appropriate return to in-person learning date for you child and their siblings.**

**\*\*\*A copy of negative test results must be provided before students and their siblings will be allowed to enter the buildings.\*\*\***

Thank you for doing your part to keep our students healthy and keep our schools open.
