

Pointers Palette

What is it?

Pointers Palette is an opportunity for your business to support and showcase student work from the K-12 Visual Arts Program in Mineral Point Public Schools by donating a predetermined amount with the purpose of displaying student artwork at your location.

What we're asking from you?

A dedicated space to showcase student work, open to viewing by the public, in exchange for a donation of \$200 to the Art Department. Frame size: 16"x20" ready to hang up for display.

What are the opportunities?

A framed piece of Art created by Mineral Point's own K-12th grade Art students. Artwork will be rotated every other month, including summer months.

Publicity: a quarterly newsletter will be created and shared with MP families. It will include student artworks and their locations among the community.

New Patrons: MP families, staff, and other school support will be notified of the partnership and display locations. This is a great way to build community and invite out of town guests to visit and view the student works.

How will this support the K-12 Visual Arts Program?

In the 2025-2026 school year the MP Visual Arts Program is working to procure funds to:

- purchase professional display boards to be used during Art Shows.
- Provide art supply materials for students that may require financial assistance.
- Permanent display area for Best of Art Show student work in the HS.
- Art Scholarships for graduating Seniors
