

# FIRST STEP KINDERGARTEN PARENT QUESTIONNAIRE

As we begin the process of determining the class composition for next year's kindergarten, we are asking for your help. We want to know what kinds of learning environments you think are most helpful for your child's learning -- with "learning environments" including kinds of work assignments, approach toward discipline, motivational efforts, etc. Please share below (and on the back of this page if needed) your observations about the factors that seem to help your child "have a great year".

1. What do you believe are your child's strengths?
2. What are the concerns you have about your child's development?
3. What are your goals for your child this year in kindergarten?
4. What kind of "learning environment" does your child need?
5. Please list questions you have.
